Note: detailed time schedule will be provided after the registration closure.

The competitions will take place at the facilities of the Academy of Physical Education (AWF) Kraków, where the European Olympic Games will be held in 2023, which will be the continental qualification for the Olympic Games in Paris 2024.

Krakow is one of the most visited cities in Poland. There are numerous historical monuments, good hotels, restaurants, and recreational opportunities. The most significant sites (and the symbols of Krakow) are: the Wawel Castle, main Market Square with Barbican, the Sukiennice Cloth Hall and St. Mary's Basilica, Kazimierz.

The city is located next to other attractive places, such as: the Wieliczka salt mine, the Tatra Mountains. It is said that Krakow is the cultural and educational capital of Poland. There is always something going on: music and film festivals, the Jewish Culture Festival, academic conferences and sports events. At Czartoryski Museum many famous works of art can be found (Leonardo da Vinci's 'Lady with an Ermine' or Rembrandt's 'Landscape with Good Samaritan').
